OPENWELL SUBMERSIBLE PUMPSETS

"Prithvi" Openwell Submersible Pumpsets offer the wide operating range in Single Phase & Three Phase voltage. Well designed pumps are rugged and efficient to deliver the best optimum performance to the end users. All Pumps are made and test under the supervision of strict quality environment to ensure durable and long lasting performance. Our range of products are suits your pumping needs for Home, Farm, Industries, Domestic and Agricultures requirements.

Applications

- Water Lifting form Deep or Shallow Openwell
- Water pumping from Sump, Mines, Water Tank and fountains
- River and Canal lift irrigation pumping
- Domestic / Home Pressure Boosting Applications
- Irrigation system for Agriculture
- Multi Stage Openwell Pumps for Drip Irrigation and Sprinkler system
- Water supply in Residence areas and Multi storied apartments
- Water supply to establishments like Malls, Complex, Hospitals, Hotels etc..
- Industrial water supply and transfer

Features

- Easy to install, Noise free operations
- Energy efficient motor offers lower cost of operating
- Suitable for 1Ø 200 V - 240 V, AC, 50 Hz Power Supply Supply & 3Ø 380 V - 440 V, AC, 50 Hz Power Supply
- Available in SS Body and CI Body
- Water lubricated motor with easily rewindable stator
- Available in V6, V7 & V9 Motor body design

Products Details

Voltage Range	: 1Ø and 3Ø
HP Range	: 0.50 HP to 10 HP
Head Range	: Up to 90 Mtrs.
Discharge Output Range	: Up to 18000 LPH
Pump Stages	: Single Stage & Multi Stage
R.P.M. Speed	: 2900 RPM
Motor Type	: Wet type water filled water cooled Induction motor

MOC

Stator Shell	: Corrosion Resistant Stainless Steel / Cast Iron
Motor Shaft	: Corrosion Resistant Stainless Steel
Thrust Bearing	: Heavy Duty Thrust Bearings
Motor Bush	: Carbon / Bronze
Stainer	: Corrosion Resistant Stainless Steel
Casing / Volute	: Graded Casting
Suction Bracket	: Graded Casting
Impeller	: Noryl / Stainless Steel / SS Fabricated / Cast Iron
All CI Parts	: Graded Casting
All Fastners	: Corrosion Resistant Stainless Steel

Authorised Sales/Service Dealers
